

CITY STAYS - ZAGREB

4 Days / 3 Nights

Zagreb, the capital of Croatia, is a Central European city which is well connected by air, road and train to other European cities. Shaped by Habsburg rule, Zagreb typifies the a Mediterranean way of life with an excellent nightlife. The city's must-see is the Cathedral, and Opera House as well as the funicular linking the Upper and Lower Towns. Laid out according to Habsburg design, with a 'horseshoe' of green space separating its elegant facades, Zagreb is surprisingly small for a capital city of one million people.
