

# CRUISING GULETS

*These are just examples of the cruising gulets we represent, ranging from the modest to the most luxurious. All with fully trained and competent staff, with the option of breakfast and lunch only, which gives you a chance to sample the food in the port and marina restaurants. Other options are full board or all inclusive, food and drinks. Sailing onboard of one of these gulets will allow you to explore the beautiful Croatian bays, visit cultural and historical heritage spots, swim in the secluded coves, and avail yourselves of the various leisure equipment onboard. Life on a gulet is simply a pleasure, relaxing and whiling away the time under the Croatian sun.*

*Along the coast and on the islands are a series of modern marinas that offer port space, electricity, fuel, water, laundry, shower and shopping facilities. Other docking facilities include town piers or bays for dropping anchor. And then there are the numerous beautiful beaches for solitude... The Croatians will open their hearts to you, showing their welcome with a shy friendliness that is both warm and genuine.*
